SPECIAL FILMING CONDITIONS
1800 & 1900 BLOCKS OF MICHELTORENA STREET

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This area of Micheltorena Street and neighboring streets consists of single family homes surrounding a large residential property (formerly an old convent) that has recurring filming. Except for Micheltorena Street, which is very wide, all the other streets are narrow and filming activities can pose significant traffic and public safety problems. The following Special Filming Conditions have been established to mitigate the concerns of local residents and to ensure traffic can move through the area safely:

- **Affected residents within 500 feet of all filming activity and/or within 200 feet of equipment parking must be notified at least 2 days in advance of the first filming date or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance. Notification may be done with less than 2 days notice if approved by the Permit Authority.*

- **Personal cast/crew vehicles are not permitted to park on area streets.** *Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location.*

- **Catering must be contained on private property.** *Sidewalks, parkways, and grass areas may not be used.*

- **Production companies may not arrive in area prior to 7:00 a.m. and must depart no later than 10:00 p.m.**, *unless approval is obtained from the Permit Authority. and the approved times are indicated on the permit.*

- **Late night, weekend and holiday filming is generally prohibited, unless approved by the Permit Authority after a careful review of community concerns identified through FilmL.A.'s Filming Survey process.**

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
